STRIDE AHEAD

At **Stride Ahead** we provide children and adults with special needs equine activities that are both therapeutic and fun, in a safe, supportive, non-competitive environment. Each student's weekly lesson includes both on-the-horse riding time and on-the-ground time with the horse, so she can develop a compassionate and respectful partnership with the horse. Stride Ahead programs are conducted at Little Creek Farm, a park in the DeKalb County park system: 2057 Lawrenceville Hwy, Decatur, Georgia 30033-4306.

Our events and opportunities for Girl Scouts include:
